

Making the connections: Catering and cleaning

Debbie Johns
Principal Advisor, APSE

www.apse.org.uk

Format of the workshop

- Short overview
- Open debate
- Try and identify good practice and what works
- Also identify areas that may not be successful and why
- Either under the umbrella of the MtC agenda or outside its current scope
- Identify areas of common interest
- Identify possible areas for further development

www.apse.org.uk

Collaborative working

- Welsh purchasing consortium & North Wales procurement partnership
 - Food contracts
 - Cleaning materials
- Value Wales – include catering in collaborative purchasing
- Potential for other areas
- Information sharing
- Benchmarking and common performance indicators
- Training and staff recruitment/retention

www.apse.org.uk

Questions

- Are your authorities involved in the MtC agenda for building cleaning and catering?
- What is working or not working?
- What support or information would you like from colleagues?
- Any risks or issues
- Way forwards and suggestions for further development
