APSE National Update

- **APSE has recently published its latest research paper on:**
- ***'Governance, neighbourhoods and service delivery' and one on 'exploring the economic footprint of public services'***
- **This ground breaking piece of research examines the best operational arrangements for local authorities, delivering services at a neighbourhood level, and how to best secure due governance arrangements with the critical involvement of elected members**
- **Research will now also be carried out in Scotland with West Lothian Council/APSE part funding**
- **Further research hopefully to be carried out using other Scottish Authorities**

Wales

- **APSE continues to discuss the use of performance networks data with the 'Ffynnon' national performance system for Wales and is launching a pilot project in November. APSE is also exhibiting at the WLGA open day on 12/13 November**
-
- **APSE has met with the Welsh Audit Office with regard to school meals catering performance in Wales and is collaborating on a project on school meals performance for Welsh authorities**

Future Research

- **The Strategic capacity of local authorities – APSE/Inlogov 1st Stage March 2009**
- **Maximising community and local economic benefits of service delivery APSE/CLES - March 2009**
- **Green Tendering Toolkit APSE/Enviro Centre - September 2009 (Looking at sustainable procurement building green & sustainable issues into procurement contracts)**

APSE Services Update

- Lifelong learning and development continues to develop courses on the new law surrounding corporate manslaughter, new CDM regulations and leadership
