

Join up

- Consistency
- Collaboration
- Be a good partner with the private sector

Welcome change and innovation

- Life has changed massively in the last 2 years
- Radical thinking is required if we are to deliver the change needed
- A different attitude to risk?
- Creative funding and support.

Steal with pride!

- Talk to others
- Work out what has gone well in other areas
- Being “of [Nottingham]” does not mean it has to be invented here
