Seminar Objectives

About the Seminar

Local Authority Fleet operations are the essential element in ensuring the continued delivery of front-line Council services. The past 18 months have placed a heavy burden on all Council services, requiring ingenuity and resilience to overcome the effects of COVID-19. To ensure well run in-house fleet and maintenance services stay ahead of the game, this seminar brings together the elements that influence future success.

Speakers will cover the national picture, the regulatory context, human, financial and legal issues and strategies for maintaining efficient operations. The seminar will also take a look at innovation, the transition to cleaner fuels, regulation and ensuring continued efficient delivery of fleet services.

Who should attend?

- Service Directors
- Transport and Fleet Managers
- Policy and Performance Officers
- Procurement and Finance Officers
- Transport Policy Officers
- Sustainability and Environmental Officers
- Trade Union Representatives
- Management Consultants
- Contractors and Suppliers
- Police, Fire and Rescue
