14:15 Close

About the venue

The event will be held in the **Saxon Suite** at the Tamworth Assembly Rooms.

Owned and operated by **Tamworth Borough Council**, it is the town's premier concert and events venue, in existence since 1889, and recently refurbished. Located in the heart of the town, minutes from the historic **Castle and Gardens** along the river, Tamworth is exceptionally well connected by rail both from north/south and east/west. Please find detailed directions overleaf.

About

Join APSE for a Greenspace and Highways Forum, a seminar designed for Midlands councils committed to driving sustainability and environmental leadership in the public realm. This event, **FREE** for APSE members in the Central Region, will explore key strategies and case studies from Midlands councils leading the way. The aim is to foster collaborative discussions across parks, greenspaces and highways teams, and provide a great opportunity to network with colleagues from across the region over lunch.

Green spaces and highways are amongst councils' most visible and important services to residents, integral to their wellbeing, health and safety, and attractiveness of their local area, whilst providing vital habitats for wildlife. Councils will gain the tools and inspiration to lead the way toward a cleaner, greener local environment for the benefit and wellbeing of all.

Finding the venue

**Tamworth Assembly Rooms
Corporation Street
Tamworth, Staffordshire
B79 7DN**

The event will be held in the **Saxon Suite** at the Tamworth Assembly Rooms. The venue is 11 minutes' walk away from Tamworth Railway Station.

For those driving, we recommend parking at **Hospital Street car park** just 3 minutes' walk away, which has long stay parking at a charge.

Note: The 'Assembly Rooms Car Park' opposite the venue is limited to a maximum of 4 hours, which will not be sufficient considering early arrival for registration / if the event overruns. We cannot not be held responsible for any fines resulting from parking there and overstaying!
