

Operation Relocation Building Cleaning Services

APSE Innovation Awards

Introduction

- Chris Tait – Building Cleaning Services Operation Manager
- Community Services, Environment & Culture, Stockton Borough Council

The problems begin!

HOUSTON, WE HAVE A PROBLEM!!

Chief Executive announces his vision
for a new Super Building

The Plan

- 25 Staff from 10 existing buildings, to be reduced to 14 staff at the new Super Building
- Managed to survive via staff retirement and redeployment
- All remaining staff redeployed with no redundancies

The unveiling of the new Super Building

- The end result, a super modern, shiny work environment for staff to hot desk and enjoy the new Neighbourhoods within the building

Renewable Energy

- Solar panels installed onto the roof of the new Super Building, for renewable energy and self sufficiency

Thank you for your time
