

APSE Scotland Waste & Recycling Network – Friday 21 August 2026 at 10.30AM (Tea and Coffee on arrival from 10AM)

MVV and Dundee City Council's Energy from Waste Facility, Baldovie, Forties Road, Dundee, DD4 0NS

Welcome from Chair: Cllr Mark McGeever, South Lanarkshire Council

Speakers & Discussion items

Code of Practice Update

Speaker: Alex Qualye, Scottish Government or Steering Group Local Authority Representative

This will provide the opportunity for colleagues to hear an update around the current workings and developments of the Code of Practice.

Transforming waste and recycling services across the Highlands

Speaker: Imogen Percy-Bell, Principal Waste Management Officer, Highland Council

This will provide the opportunity for colleagues to hear more about Highland's Gold Striving for Excellence winning submission.

Reuse and Repair Update

Speaker: Marysia Crawford, Reuse and Repair Consultant, Zero Waste Scotland

This will provide the opportunity for colleagues to provide information on how ZWS can help support your reuse strategies and increase electrical reuse across authorities.

Waste & Recycling clinic: Any issue affecting service delivery

This is the opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue including:

- ***Experiences and information sharing from those already collecting flexible plastics and films***
- ***Rolling contracts for commercial waste customers***
- ***Alternatives to permit stickers for garden waste collection subscribers***

APSE Update

Louise Melville, Principal Advisor, APSE

The meeting will end at 12.00 PM with lunch and then for those wishing a tour of the facility this will be provided.
