WHAT WORKED

Neath Port Talbot Council and Gnoll Country Park
19 April 2025

Introducing the brand new 'Gnoll' welcome sign! 🌱🐝

These letters aren't just for show—they're bug hotels organised by our council's biodiversity team NPT Wildlife and funded by the Welsh Government's 'Local Places for Nature' Fund! 🐝🌱

These unique installations provide a safe haven for our tiny friends, promoting biodiversity and supporting local ecosystems. 🌱🐝

Next time you're in the area, take a moment to appreciate these creative and eco-friendly additions! 🌱🐝

Taking a selfie? Tag us, we'd love to see them! #Gnoll #Gnollywood

This year at Gnoll Country Park, we will also see a transformation as we allow underused areas of grassland to grow and develop into meadows. This will greatly increase the habitat in the park to support pollinators, birds, and a host of other wildlife. 🐝🌱 See less

🏆 Best of the Best for Biodiversity Award 🌱 Gwobr Bioamrywiaeth Gorau'r Gorau 🏆

Gnoll Country Park
1 September 2025

The Meadows have now had their haircut! 🌱🐝

After a glorious first year of letting The Gnoll Meadows grow wild, nature truly took centre stage bursting with a huge variety of beautiful grasses, wildflowers, bees, and butterflies. It's become a great habitat for insects. 🐝🌱

Visitors have loved wandering through the winding paths, enjoying nature and the buzz of a thriving ecosystem. Now, the annual trim is complete! A huge thank you to the wonderful team of local farmers and their tractors for doing such a brilliant job cutting and baling the meadow. Not only does this help keep the meadow healthy, but the hay will also feed local cows through the winter. It might look like a tidy-up, but it's really a long-term investment in biodiversity. The meadows will return next summer and watching them grow wilder and more beautiful than ever is such a treat.

The Meadows at Gnoll Country Park are part of the @nptcouncil NPT Bee Friendly Scheme. Learn more here: <https://www.npt.gov.uk/.../npt-wildlife/npt-bee-friendly>

Mae'r Dolydd wedi cael torri gwallt! 🐝🌱

Ar ôl blwyddyn gyntaf wych o adael Dolydd y Gnoll i dyfu'n wyllt, daeth natur i'r amlwg yn llawn gogoniant—gyda amrywiaeth enfawr o laswelltau hardd, blodau gwyllt, gwynyn a pilli-palaod. Mae'r dolydd bellach yn gynefin gwych i bryfed. Mae ymwelwyr wedi mwynhau crwydro'r llwybrau troellog, gan ymgolli yn y byd naturiol a'r swm bywiog o ecosystem ffyniannus.

blynyddol wedi'i gwblhau! Diolch enfawr i'r tim bendigedig o ffermwyr lleol a'u gwaith mor wych yn torri a phacio'r dolydd. Mae hyn nid yn unig yn helpu i h, ond bydd y gwair hefyd yn bwydo'r gwartheg lleol dros y gaeaf.

fel glanhau, ond mewn gwirionedd mae'n fuddsoddiad tymor hir mewn dolydd yn dychwelyd yr haf nesaf, ac mae eu gweld yn tyfu'n fwy gwyllt ac yn yn bleser pur.

y Gnoll yn rhan o Gynllun Cyfeillgar i Wenyn NPT @nptcouncil. Dysgwch i Wenyn NPT
