

CIPFA

The Chartered Institute of
Public Finance & Accountancy

Traded Services to Schools

David Bentley

The Study

- Catering (School Meals)
- Grounds Maintenance
- Cleaning/Caretaking/Security
- Property Related Services
- Repairs and Maintenance
- Statutory Building Compliance (H&S)

The Challenge

- Choice
- Friends
- Knowledge?
- Historic Service Perception
- Us

The Reaction?

- Salami Slice
- Cut Costs
- Improve Efficiency
- Subsidise
- Stop
- Think differently
- Expand

The Edge?

- Established knowledge base and experience
- Relationships
- Extensive building records
- Reputation for public sector integrity/accountability
- Quality of service?
- Local Geography can lend itself to collaboration between adjoining and neighbouring Local Authorities
- Services can be offered alongside support for learning and teaching, etc.
- One stop service shop

The Barriers?

- Cost
- The behemoth
- Historic Relationships
- Perception
- The need for change
- Technology and Processes

In conclusion?
