

# A Journey with Impact

---

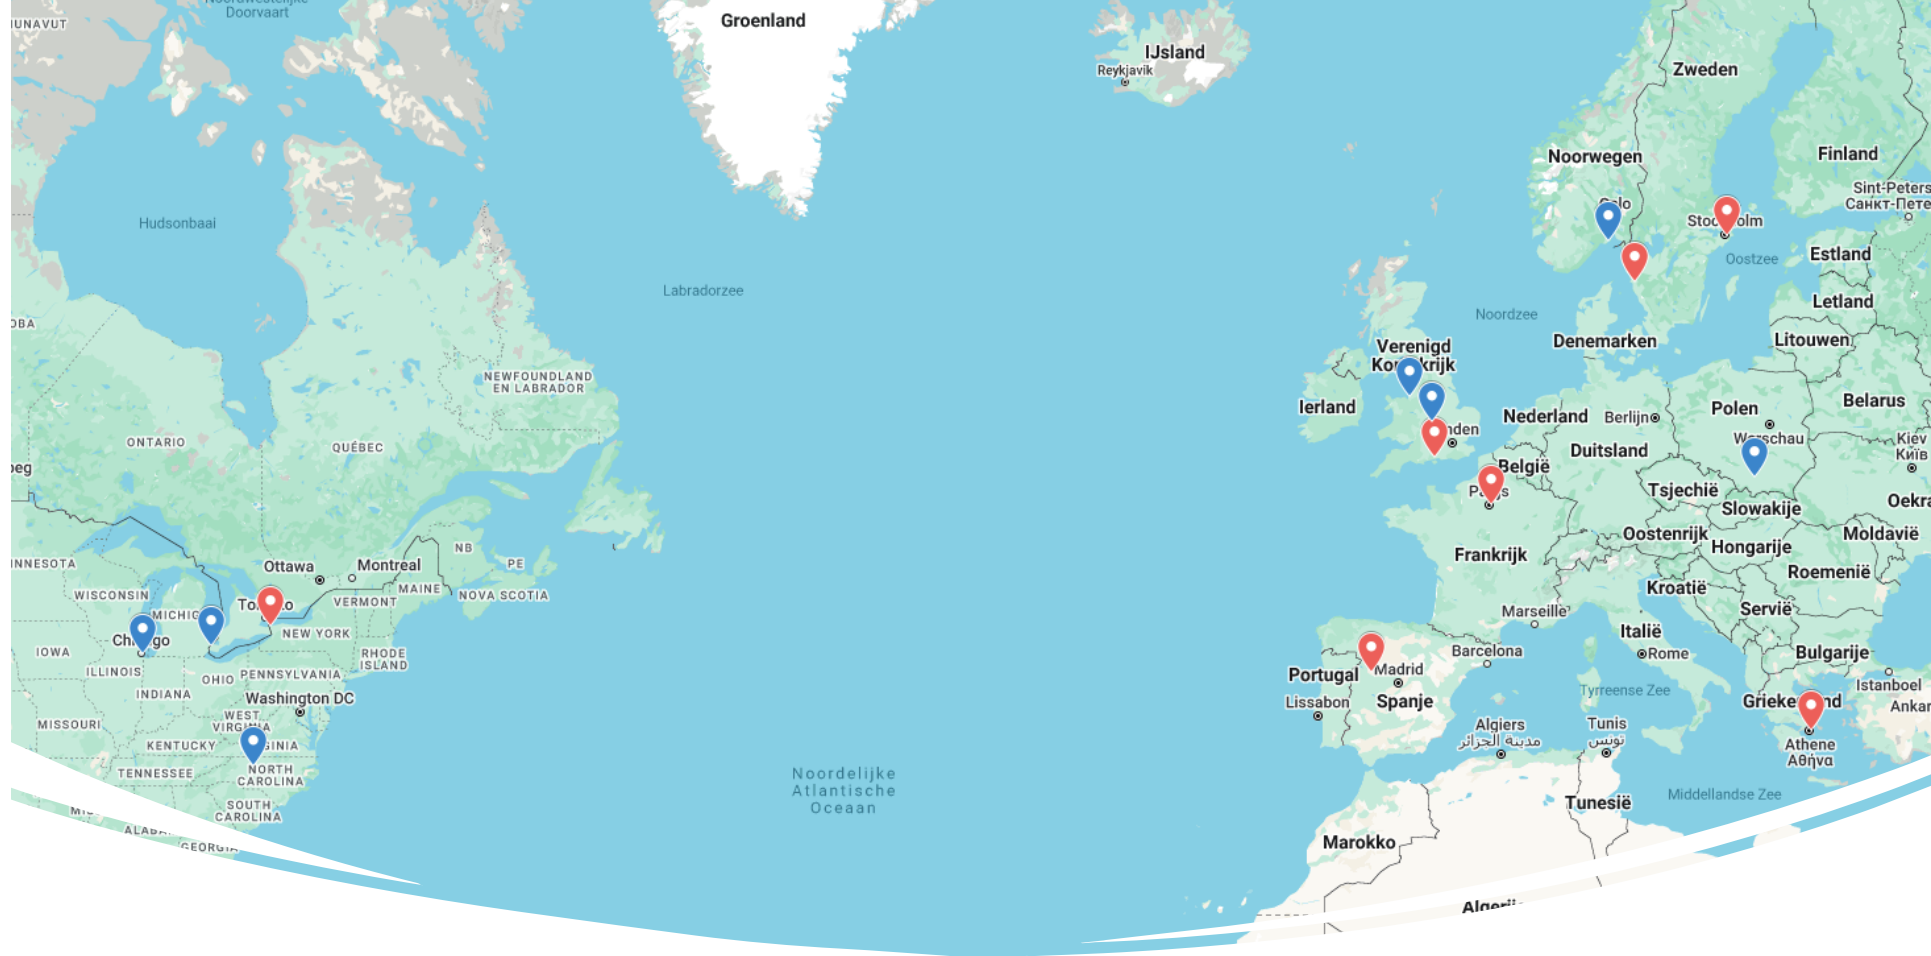

Emiel Kwant  
Orthometals

**ORTHOMETALS**  
*> innovating recycling*

# About Orthometals

- Founded in 1997
- Ethical, respectful, and sustainable metal recycling after cremation
- 2000+ crematoria across 6 continents

# Unique Journey

From sorter to accountmanager

Opportunity to see the world

Learning about language, culture and communication

# Cradle to Cradle

- Collect materials at crematoria
- Metals are given a new life
- Circular economy: nothing wasted

# Thank you to our partners

- Crematoria make this possible
- Reduce environmental harm, support circularity and help create a more sustainable future

***We are not the heroes, you are.  
You make the difference***
