Agenda

1. Welcome by the Chair

Councillor Norma Stephenson, Stockton-on-Tees Borough Council

2. The Centre for Food Policy and Insight

- Exploring how the food system really works in practice
- What policies are needed to make it work effectively?
- Shaping a food system that improves the health of people, society, the environment and the economy

Paul Wilson, Professor of Agriculture Economics, University of Nottingham

3. Serving the public: the good food revolution in schools, hospitals and prisons

- The challenge of the whole school approach
- Aligning the message of the classroom with the offer of the dining room
- What broader lessons can be learned?

Professor Kevin Morgan, School of Geography and Planning, Cardiff University

4. The catering service at Glasgow City Council

- An overview of the service
- Getting the right branding
- The Glasgow City Food Plan

Gillian Pagani, Operations Support Manager, Glasgow City Council

APSE Update

Vickie Hacking, Principal Advisor, APSE
