

# APSE Performance Networks

**APSE Performance Networks** is the the UK's largest voluntary public sector benchmarking service, supporting 200 councils.

We provide:

- Comparative performance data
- Trend analysis and reporting
- Service-level benchmarking
- Improvement insights

We pride ourselves on delivering a platform for local authority front line service managers to interact with one another effortlessly using our extensive network of local authorities. Enabling service improvements through communication and benchmarking of KPIs, helping to improve public service provision across the whole of the UK. delivery, efficiency, performance and cost reduction.

## Meet our Head of Service

**Debbie Johns**

Head of APSE Performance Networks

Debbie Johns is the Head of Performance Networks, APSE's UK-wide local government benchmarking service.

She has been with APSE since 2000 and previous to this role, was a Principal Advisor for 9 years with responsibility for environmental services; including waste, refuse collection, street cleansing, parks and grounds maintenance and transport. Debbie was the Data and Projects Co-ordinator for the APSE Performance Networks service from 2000-2005.
