

# Investing in Our Local Authorities:

Structure

Scale

Certainty

YORK  
& NORTH  
YORKSHIRE  
COMBINED AUTHORITY

# The starting point: structural barriers and fragmentation

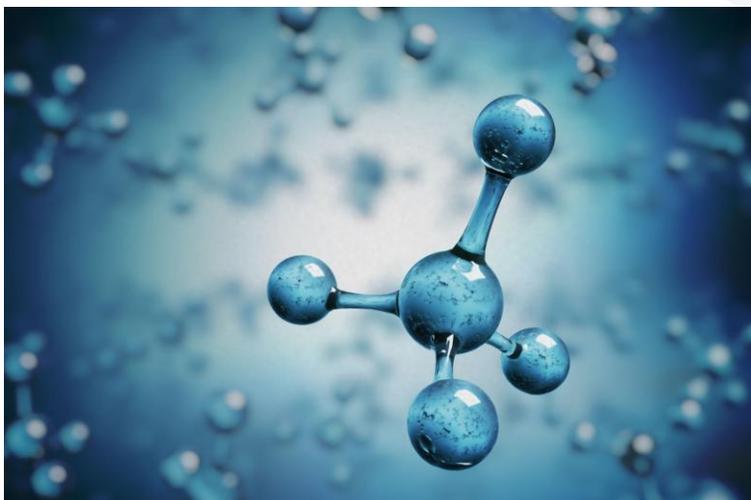

- **Unlock private investment through bundled approaches**
- ***Structural barriers to delivering net zero***
  - ***Fragmented funding***
  - ***Limited capacity***
  - ***Lack of coordinated governance***
  - ***Difficulty attracting private investment***
- **LAEP 2022 – how do we develop and build on this?**
- **Bristol City Leap Replicator (LNZA)**

# What YNYCA Has Learned from BCL: The Need for a Strategic Energy Partnership (SEP)

**Building a strong pipeline**

**Techno-Economic/Financial Modelling**

**Coordinate regional approach**

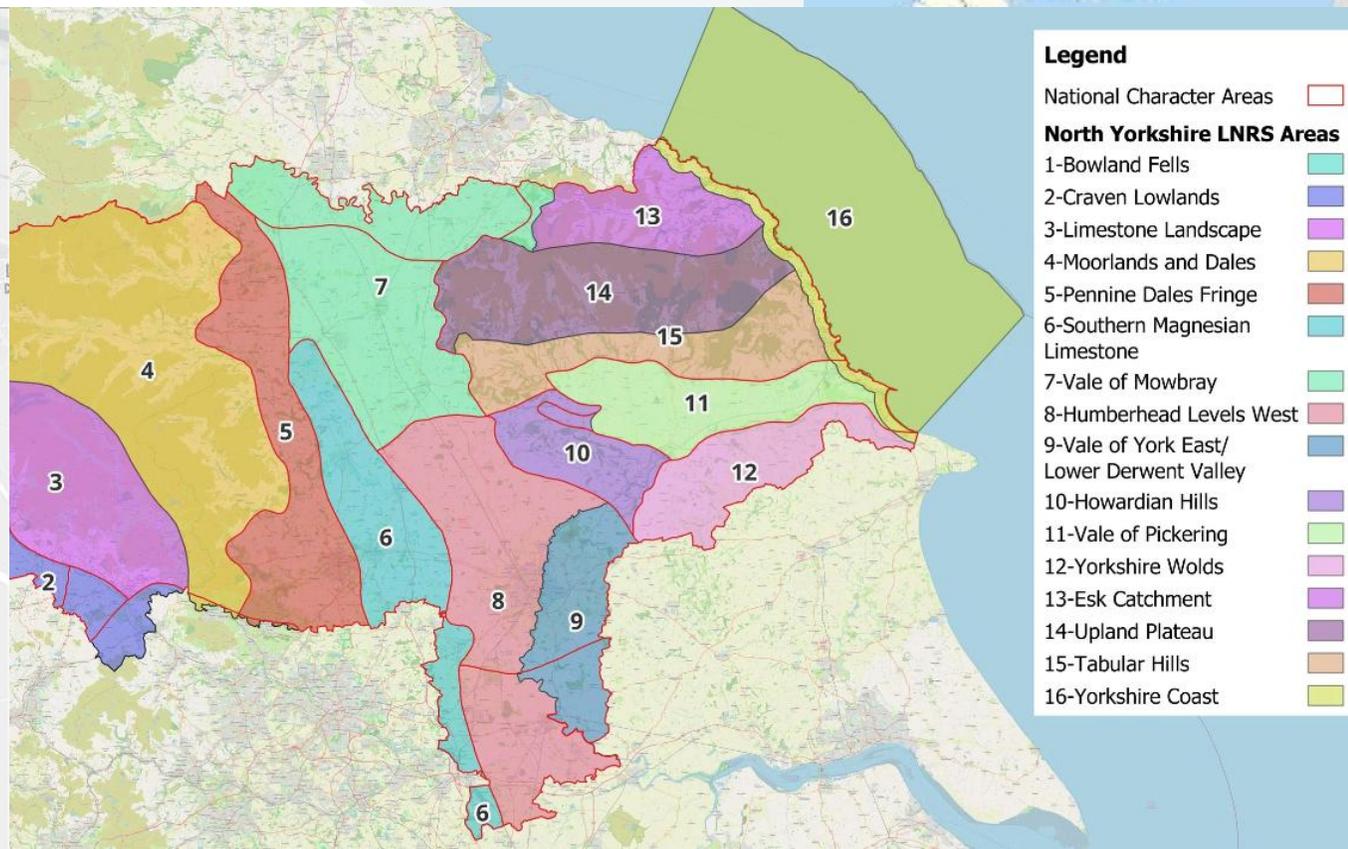

*Scale*

*Certainty*

*Structure*

# Place-based layer: Where investment meets impact

- Land opportunity model
- Pipeline to support communities
- Tailored to those who really need help

# Final Thoughts: Investment follows clarity
