# The DCS Healthy Lifestyle Event

- **What** Free interactive, educational, school and catering service initiative
  - **Why** Designed to add value to the catering contract and to make a positive difference
  - **When** Annually commenced summer 2007
- 

# Feedback

## Marston Montgomery Primary School: Amanda Lovett

*A fantastic day well planned with friendly staff.*

*Our children thoroughly enjoyed the day, partaking in all activities and challenging themselves. Good opportunity to try new foods and just the right level of encouragement to do so from staff present.*

*Thank you all for a lovely day, we would love to come again!*

# Feedback

## Heage Primary School: Lindsey Roberts

*Thank you for inviting us to the Healthy Lifestyles Event; we had a fantastic day and my class thoroughly enjoyed the different activities which were planned.*

*The day was very well organised and the variety of activities on offer was super; my class particularly liked the drumming and dancing workshops as this was something new. The lunch provided was tasty and had a lot of choice for the children.*

*Overall, it was a very memorable experience.*

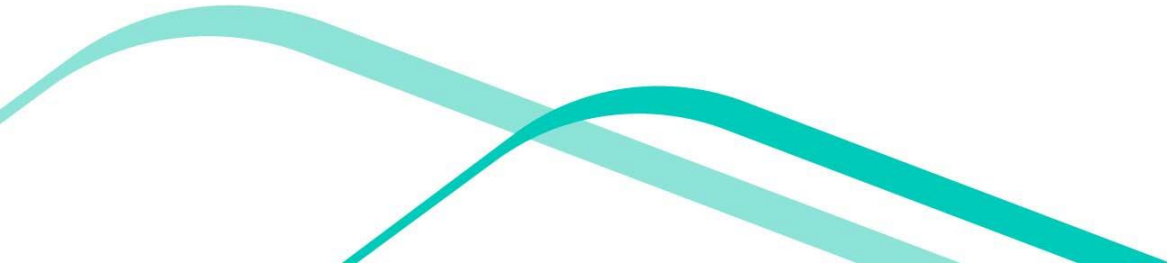

*Thank you*

# Keys to Success

We couldn't do this without:

- Team work
  - Ingenuity of our staff
  - Venue at Lea Green - the authorities leading outdoor education centre
  - Support from suppliers – financial and physical
- 

# Outcomes

- Provide healthy lifestyle education
- Intrinsic to our departmental vision
- Reduce childhood obesity
- Supports schools with curriculum and Ofsted criteria
- Builds positive relationships
- Provides networking opportunities for schools
- Raises the profile of school meals
- Creates team building opportunities
- Provides a useful paragraph for tender submissions

We are more than a  
meal on a plate
