

Legal and Practical Management of Cemeteries

95%

Overall

“Clearly presented, useful information, delivered by two very knowledgeable trainers.

Most points raised were also backed up with real world examples from the trainers various roles within the industry.”

Assistant Bereavement Services Manager
Rotherham MBC

“I learnt the relevant legislation to be focusing upon, the correct admin process to enable me to review our practices, grave planning and burials best practice and many, many other practical management tools. It was probably one of the most useful and relevant courses that I have attended.”

Bereavement Services Manager
Sunderland City Council

“Both trainers were personal, very engaging and clearly had a huge amount of knowledge”

Case Management Team Leader
South Lakeland Council
