Litter Managers Network
Tuesday 19 August 2025 (10.30am – 12noon)

MS TEAMS

1. **Introduction and welcome for the Chair**
   This will provide an opportunity for the Chair, Paul Mallis of West Lothian Council to welcome all to the meeting.

2. **Litter Monitoring System (LMS): An update on the expanded use of technology including AI**
   Speaker: Brian Rae, Operations Manager, Keep Scotland Beautiful
   This will provide attendees with the opportunity to hear about the work KSB have been undertaking in relation to the expanded use of technology for the Litter Monitoring System.

3. **Using AI to improve environmental quality: A vehicle based littering solution**
   Speaker: Andrew Kemp, CEO, LitterCam
   This will provide attendees with the opportunity to hear about the LitterCam technology which can be utilised by Streetscene and Enforcement teams to detect vehicle based littering offences.

4. **Future areas of focus for the Litter Managers Network**
   Speaker: Group Discussion
   This will provide the opportunity for colleagues to discuss and share thoughts regarding areas they would be keen for the group to explore further and table as agenda items for future meetings.

5. **Litter Managers Network clinic**
   Speaker: Group discussion
   This provides the opportunity for colleagues to ask peers from across Scotland any particular questions or share experiences and challenges within the Network including:-
   - Street Cleansing Structures
   - Utilisation of seasonal staff

6. **AOCB including any updates on Year 3 Actions**

7. **Close of meeting**
