Working on it!

Lessons Learned – Next Steps

- ✓ Building relationships & trust takes time.
- ✓ Collaboration – no one organisation can do this alone.
- ✓ Share!Share! Share! – knowledge, resources expertise – No need to reinvent the wheel.
- ✓ Respecting the boundaries of partner stakeholder organisations
- ✓ The importance of engaging with “Critical Friends”.
- ✓ Inclusivity – Climate Change impacts everyone whether you recognize it or NOT!
- ✓ 2 year turnaround was challenging .
