

# Project Management in Local Government

90%

Overall

**“I loved the course and would highly recommend it to anyone just starting out in project management and also to experienced PM staff to avoid getting complacent in their role.”**

Project Officer  
Cotswold District Council

**“Useful starting point to understand the process of project management. Good platform to get initial hints and tips, whilst also a good starting point for moving into higher level project management training.”**

Green Space Development Officer  
Knowsley MBC

**“Log in, Listen and learn; it’s great value for money and extremely useful as a foundation for knowledge or as a refresher.”**

Accommodation Projects Officer  
Lancashire County Council

**“It was informative but also fun, and set at a good pace.”**

Waste & Recycling Officer  
Hart District Council
