

TRANSPORT AND WAREHOUSE OPERATIONS SUPERVISOR APPRENTICESHIP

This apprenticeship allows staff in Transport/Warehouse areas to get their 'Transport Manager CPC' qualification alongside the 'Level 3 Transport and Warehouse Operations Supervisor' qualification.

Ideal for Supervisors / Team Leaders / Managers wanting to manage the organisation's '*O Licence*'

It is delivered online with tutors and masterclasses, so only one visit to the depot for 'observations'

It takes 10 months to complete, and learners need to dedicate 280 hours to the qualification (approx. 6 hours per week) – broken down as.....

10 x 6-hour sessions with a tutor (1 per month)
= 60 hours

10-day block course (online) and
Transport Manager CPC exam
= 80 hours

Personal study, assignments and
workplace learning (set by the tutor)
= 140 hours

The end point assessment consists of a project in the workplace, multiple choice questions and an interview.

The CPC exam is made up of two parts

- Multiple Choice – 60 questions over 2 hours – 42/60 required to pass
- Case Studies – Typically 6-8 case study questions over 2 hours and 15 mins. Candidates must achieve a 50% pass rate

The awarding body is Chartered Institute of Logistics and Transport (CILT) for the CPC and VTCT for the EPA.
