About the Seminar

This APSE Northern Region event will examine the approaches councils are taking to address environmental crime, improve local environmental quality, and support safer, cleaner neighbourhoods.

Speakers will share examples of current practice from local authorities, including service delivery, enforcement, and community engagement, and consider the role these services play in maintaining clean, safe, and well-managed local environments.

Annual General Meeting

The APSE Northern Region AGM will provide an opportunity to contribute to discussions on regional representation on the National Council and other formal business.
